

St. Bernard de Clairvaux Church

MEMORARE OF ST. BERNARD

Remember, O Most Gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession, was left unaided. Inspired with this confidence, I fly unto thee, O Virgin of Virgins, my Mother; to thee do I come; before thee do I stand sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but, in thy mercy, hear and answer me. Amen.

As some of you have heard by our voice message, I have some troubling news about our finances.

Before, I mention it, it is important to thank all of those who do indeed give generously to the parish. Your commitment is very much appreciated. I pray that God will bless you for your generosity.

It may come as no surprise, that most of our revenue has come from our Sunday collection, with the hall and other sacraments being a significant secondary source of income. We were never a wealthy parish, nor do we need to be. So long as we are able to meet the bills we can focus on what is important: Worshipping the Lord, Celebrating the sacraments and being a light and support to one another and the community. But with the many months that the parish was closed due to COVID-19, and the reduced number of people we can seat now that we have re-opened, our collections have dropped to \$ 2,000-2,500 a week, roughly one thousand dollars less than what we normally have. Many other Masses and Sacraments have been postponed and the hall also shut down. It is only now slowly re-opening at reduced capacity. The Parish needs \$20,000 dollars to operate a month and that includes salaries, maintenance, liturgical and other expenses. During the shutdown we were able to make up for the short fall due to the Canadian wage subsidy program, but as of October, we hear that it will begin to be scale back. We have always been conscious of living within our means, but the fiscal situation is no longer sustainable for long, as of the end of this year we are projecting a deficit of roughly \$46,000. I desperately want that when most of our parishioners can come back, there should be something to come back to, We want to have a priest readily available to meet with them and a voice on the other end of the phone when they call.

I have always maintained that St. Bernard does not have a monetary problem. Our challenge is engagement. As important as the Sacraments obviously are, The Eucharist is rightly called the source and summit of our faith, for without Christ nothing else is possible; the life of a parish is not only measured by how many Masses it celebrates. It is measured by how active people are, how much we come together as a Christian family, getting to know and be there for our brothers and sisters, how charitable we are and share our gifts with one another and the greater community. It has been the experience of many parishes that when we look after this, finances look after themselves. Is not this vitality and communion in and out of Mass the true measure of the Christian life? Is this not what makes our faith the light of the world? I think so.

So perhaps in the midst of this challenging time there is good that can come of it. Let us re-imagine the parish. What is it you would like to see? What is it we are not doing that we should be? And how can you help to make this a reality?

But for the meantime, we do desperately to make ends meet. IF you can give at the baskets at the back of the Church, visit the office to drop off your donation or donate on-line. Simply, go to our website and click on to the donate button.

Please consider making a monthly donation so as to provide security for St. Bernard in case we cannot be here every Sunday.

Thank-you soo much for listening and I know we will move forward together.

May God bless all of you.
